Sarah H contributed to TrueSight DAO and Cypher Defense projects from October 2020 to May 2024, with contributions primarily in the Build Game across strategy, marketing, user experience, and community management categories. She participated in five online poll votes, reshared two short media posts on social platforms, attended a Facetime meeting, and helped with a single community management task for a day. Her marketing work included writing and posting one official DAO short social media text post. A notable accomplishment was contributing a full-scale strategy with a rollout action plan to grow the DAO, including overview and system logic. She also validated a user behavior and provided reference material with a strategy extension idea.
